

FLOOR SAWS

HUSQVARNA FS 400 LV S

Art.no: 967 79 65 07

Our robust FS 400 LV S is a convenient all-round petrol push floor saw. The adjustable handle ensures an ergonomic working position. Perfect weight distribution gives excellent stability while sawing. Ideal for small road repair jobs in concrete or asphalt, up to 189 mm cutting depth. This floor saw is equipped with a powerful Husqvarna engine, which is sold and serviced by Husqvarna. Product available in selected markets only.

FEATURES

Easy to operate

Productive and robust with excellent weight distribution and stability.

Adjustable handles

Provides a closer and more comfortable position to the cutting side for easier alignment and straighter cuts. Handle can also be folded for transport.

Easy to transport

Compact saw that is easy to lift.

Large integrated water tank

Quick connection for water hose to the blade guard. No tools required for dis-assembly.

TECHNICAL DATA HUSQVARNA FS 400 LV S
