

FLOOR SAWS

HUSQVARNA FS 600 E

Art.no: 970 49 29 02

FS 600 E is a versatile CE-Eurotest certified electric small push floor saw for left and right hand sawing suitable for indoor sawing. Optimised weight and balance to ensure ergonomic working position and zero CO₂ emissions during use. The built in water tank enables to cut without external water supply. Suitable for small sized service and repair jobs for a majority of floor sawing applications.

FEATURES

Zero CO₂ emissions during use

Enjoy the freedom of working with an electric machine. Explore the potential of new applications by running the machine indoors or in urban areas where emissions or noise levels might be regulated.

Left- and right-side blade mounting

Left and right-side blade mounting, together with a 2-piece blade guard, enables cutting into corners and closer to other obstructions. Eliminates the need for hand cutting.

Thermal overload motor protection

Thermal overload motor protection reduces the risk of motor failures. GFCI/PRCD equipped for operator protection.

Sealed blade shaft

Sealed blade shaft reduces maintenance and service.
