

UTILITY MEETS VERSATILITY.

LOADER POWERED WHEEL LOADER BOOM MOWER

At Diamond, we find the smartest ways to enhance the resources you already own.

Our Wheel Loader Booms are the perfect example of how we construct a powerful addition for your fleet. With a variety of available attachments, we're certain you will find a configuration to maximize your machine's potential.

SPECIFICATIONS

AVAILABLE BOOM LENGTHS 23' | 25'

6 CUTTING HEAD OPTIONS

IDEAL APPLICATIONS

ROADSIDE MAINTENANCE

DITCH & FENCE LINE CLEARING

TREE TRIMMING

LOADER POWERED WHEEL LOADER

With no additional engine to maintain, this mower can be easily converted in the field to trim tree branches, cut brush or grass.

- Can be configured for both left and right hand mowing applications (rotary, flail, and ditcher)

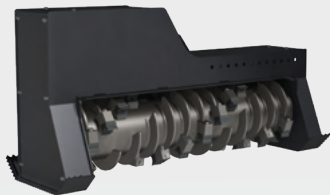

GEN 3 JOYSTICK

Enhanced control and comfort

- **Improved Ergonomics** - Improved ergonomics make operation more comfortable and enjoyable.
- **Fast Response** - Increased mowing speed in tough terrain because of shorter operator reaction time.
- **Ease of Use** - Ease of use decreases operator fatigue, ensuring longer operation periods.
